Welcome to the ProSure Journey!

Here’s how you help the customer complete their journey:

Start the Process:

- The agent (you) will come to the **ProSure Product Page** after clicking a **button** called Prosure on the partner’s website.
- On this page, you (agent) will see important details about the product, like:
 - **Coversure Service Platform**
 - **Wellness Services**

A **clear breakdown of prices** will also be shown, so you can easily explain the costs to the customer.

Claycove23 Insurance Tech Pvt. Ltd.
CIN: U74999MH2022PTC396393
IRDAI Reg No. CA0894
Category: Corporate Agent (Composite)
Validity: till 9th Jan'2027

Customer Information Collection Process

protean
Change is growth

Customer details

Name: Raj Wedhwani Date of birth: 15 June 1995

Gender: ☒ Male ☐ Female Email address: raj.wedhwani@gmail.com

Mobile Number: +91 9023224234 Pincode: 400001

Request OTP

 **COVERSURE**

Copyright 2024, CoverSure. All Rights Reserved.

Entering Customer Information:

- Once the customer is ready, agent (you) will enter **their details** into the system. You need to fill in details like: Customer's Name , Date of Birth, Gender , Email, Mobile Number, Address, Pincode.
- Important Checks:**
 - Phone Number:** Make sure you have entered correct customer's Mobile Number because we'll send a **code (OTP)** to that number to verify the customer.
 - Email Address:** Double-check that the email is entered correctly because the receipt and policy details will be sent there.

OTP Verification

protean
Change is growth

COVERSURE

Verify OTP

Enter the 6 digit verification code sent to your mobile number

9023224234

4 2 4 1 4 4

Didn't get the OTP? [Resend \(58 s\)](#)

Pay Now

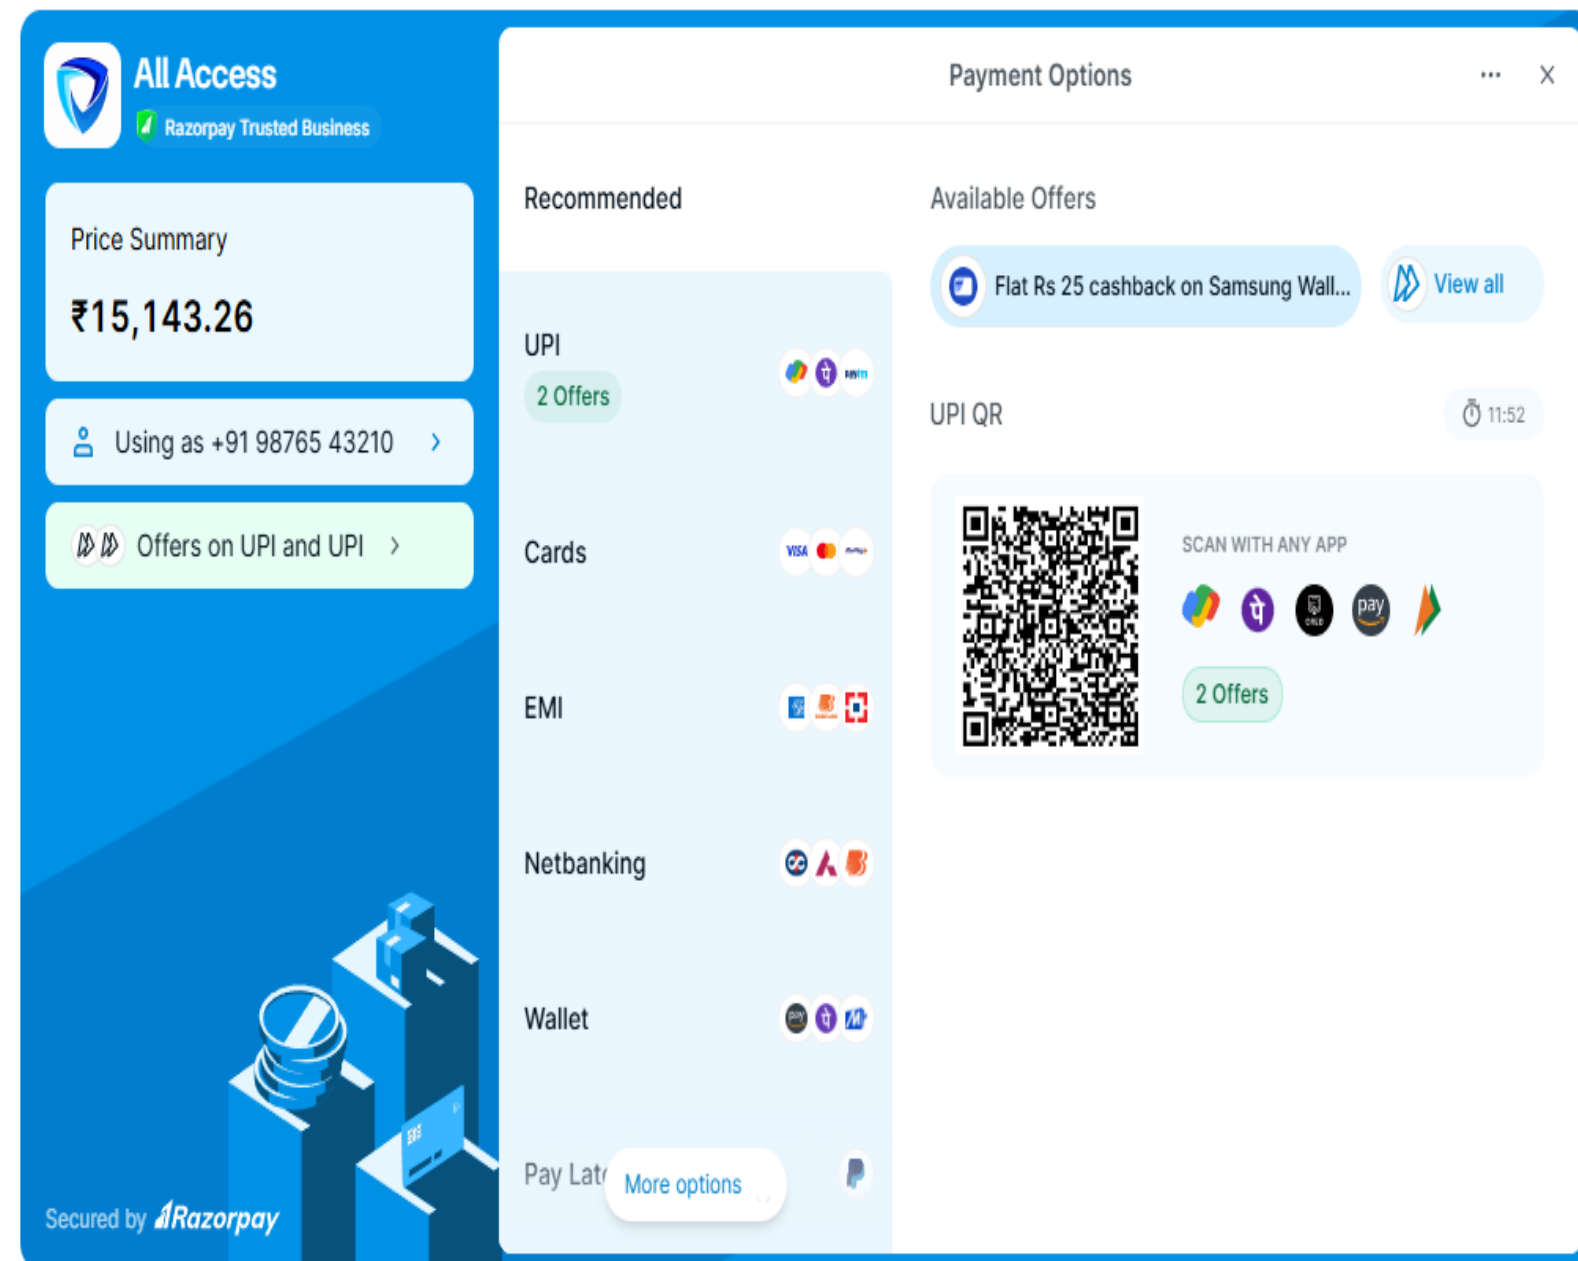

OTP (One-Time Password) Verification:

- After entering the customer's details, we will send an **OTP** (a 6-digit code) to the **customer's phone number**.
- **What to Do:**
 - Ask the customer to check their phone for the OTP.
 - Enter the **OTP** into the system to confirm their phone number and identity.
- **Important:** Only proceed if the OTP is correct. If the OTP doesn't work, the customer may need to check their number or try again.

Payment Processing

protean
Change is growth

- After OTP verification, you will be directed to the **payment page**. Here, agent (you) will make the Payment for the Customer.

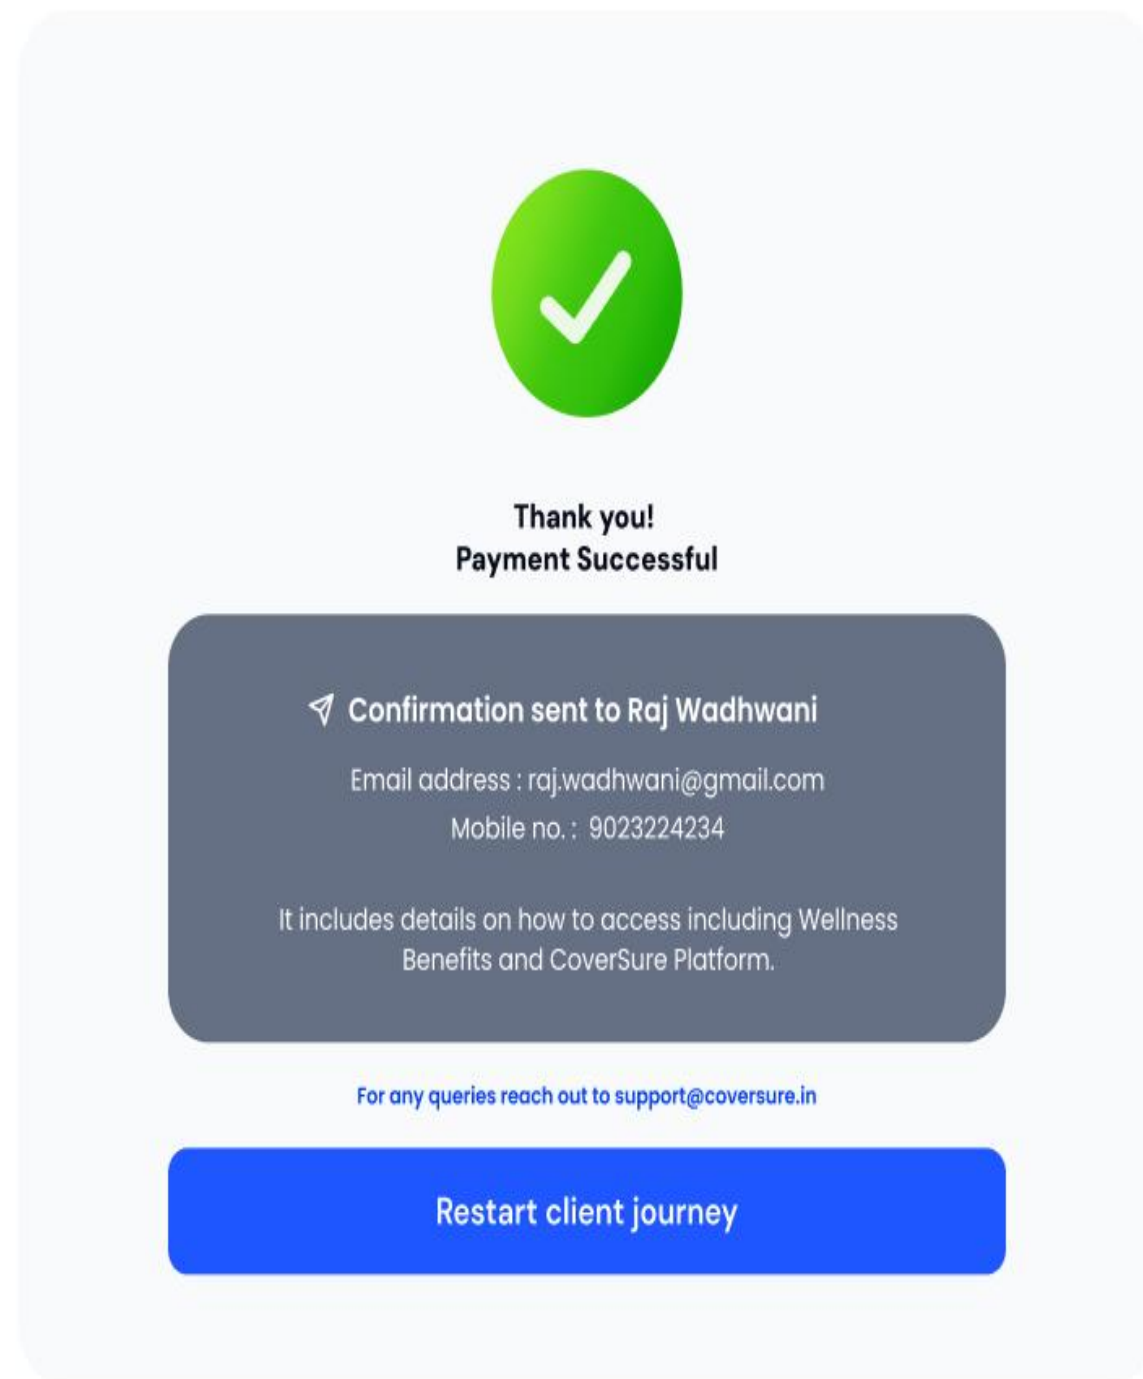

Choose any one of the payment options:

- **Credit/Debit Card:** Enter card number, expiry date, and CVV.
- **Net Banking:** Choose bank, log in, and complete payment.
- **UPI:** Select UPI app (e.g., Google Pay), and complete payment.
- **EMI:** Choose **bank**, Choose plan, then confirm and pay
- **Wallet Payment:** Choose **wallet** (e.g., Paytm, Phone Pay), log in to the wallet app, and complete the payment.
- After completing the payment, you will see a **success message** on the screen.

Payment Successful

protean
Change is growth

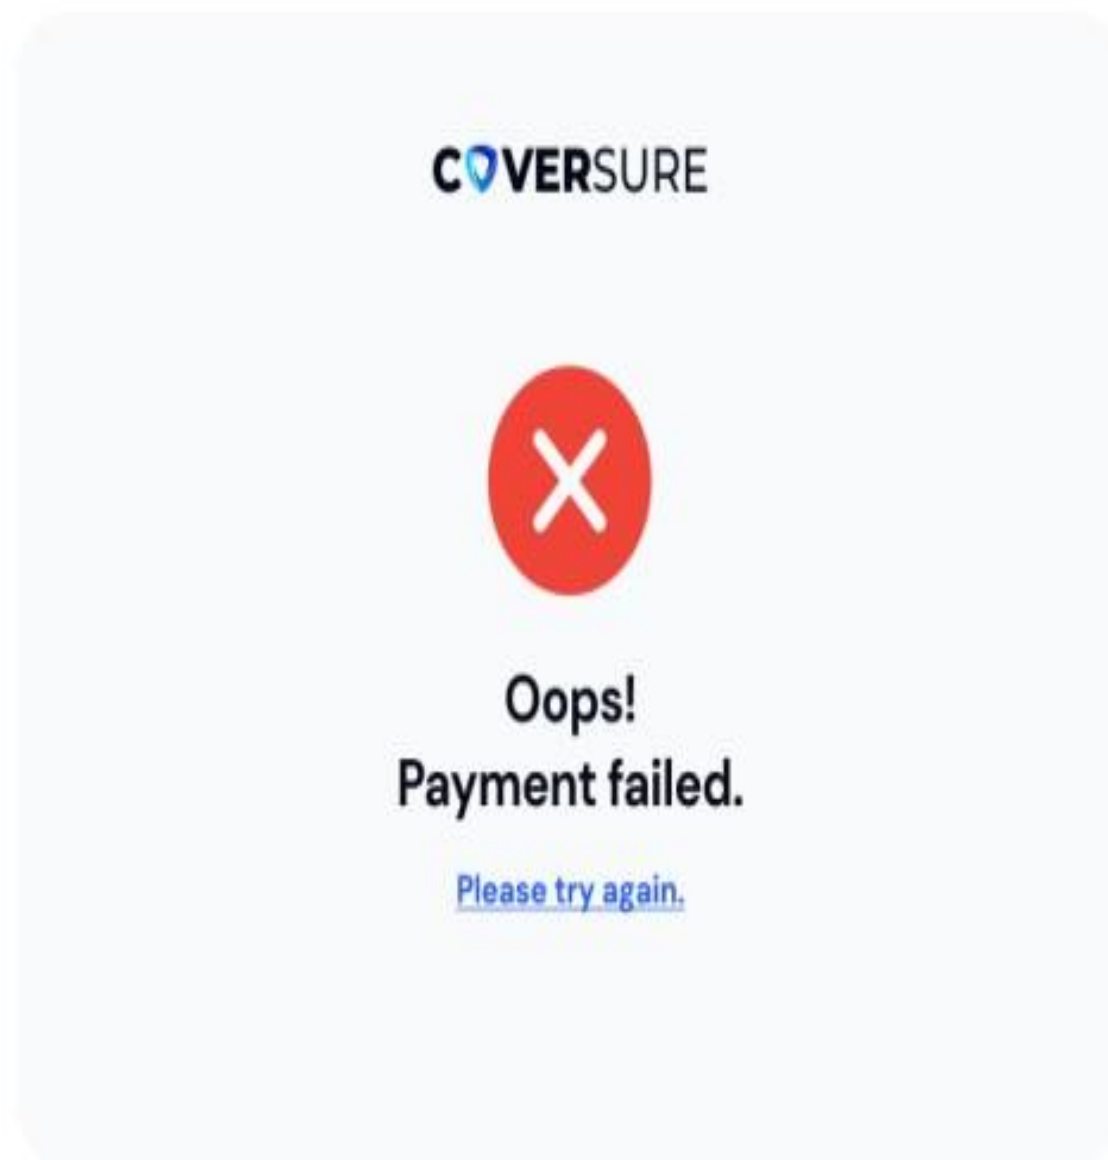

Restart the Client Journey

- Once the payment is successful, then restart the client's journey by guiding the customer to the next stage. If you click on Restart the Client Journey then it will be taken to the **CoverSure ProSure Portal**.
- Also, we'll send an email to the customer's email with portal details, payment receipt, further steps to proceed and how to avail those services.

What Happens If Payment Fails?

protean
Change is growth

- Sometimes the payment may not go through due to issues like insufficient money, incorrect details, or technical problems.
- **Signs of Payment Failure:**
 - You will see an error message like "Payment Failed"
- **What to Do:**
 - **Check Payment Details:** Make sure the card number, bank details, or UPI details are entered correctly.
 - **Try Another Payment Method:** If the card or UPI fails, ask the customer to try another method (like a different card or UPI app) or try again after sometime.
